Chardonnay

Appellation

This Chardonnay is sourced from our vineyards in the Leyda Valley. Cool sea breezes from the Pacific Ocean blow through this newly discovered wine region to counter-balance its otherwise dry climate. Its rolling hillsides are as close as 5 km (3 mi.) from the salty waters, and it is separated by the Coastal Range in the west, which leaves it isolated and makes it a unique place for viticulture. The cool conditions and long ripening periods make it an ideal place for white wines and pinot noir, yielding wines with a great balance between fruit and minerality.

Winemaking

- Fruit from different lots, soil types, row orientations.
- 40% fermented in old barrels, 60% in stainless steel tanks.
- 10% fermented with indigenous yeasts.
- No malolactic fermentation.
- 6 months lees contact, French oak barrel ageing.
